

Complete the top of this form (EU, standards/skills, DQ, final product, culminating experience) to figure out how to organize the building blocks of your project.

Project Planner

Building our community: Kinder, Paul Ecke Central-Encinitas, CA

Enduring Understanding (grounded in your discipline):

It's important to be a good citizen and that means acting in certain ways.

Standards & Skills:

ELA (text), SS (community, time)

Driving Question:

Why is it important to be a good citizen? How can we inspire others to be a good citizen in our community?

Final Product(s):

PSA

Culminating Experience:

Visit all classrooms at the school to share PSA

Benchmark Phases

1. Our school
 - bucket filling - SRRR lesson
 - SS: what a citizen is
 - school problems, solutions
2. Our community
 - role play
 - being a helper
 - consequences, roles in the community (guests)
3. Our country
 - leadership characteristics, ss k.2 national symbols,
 - Text to self connections
 - PSA script

Student Deliverables

1. Poster drawing: "A good PEC seal is..."
2. class performance of skit
3. Drawing of text to self connections, PSA prep
